

Paragraph Writing Worksheet

Use this worksheet to write a paragraph of instructions about how to do something. Choose a simple task that you know how to do.

Beginning: Introduction and Topic Sentence

Middle: Details and Support

Ending: Conclusion

Answer the following questions about your paragraph.

1. What background information do you give in your introduction?
2. Underline your topic sentence. Does it explain the topic to the reader?
3. How did you organize your details?
4. How does your conclusion provide an ending to the paragraph?
5. Imagine you want to add a second paragraph explaining when or why you would do the task you're describing. Write a transition sentence for the end of your paragraph.
